DIV. OF OIL, GAS & MINING

**RE: Utah County Approval to Release Surety Bond, Nelco Contractors, Inc. for the Cherry Hill Park Mine**

Dear Mr. Kunzler;

Thank you for your phone call informing the county that OGM desires to release the surety bond in the amount of \$17,000.00 to Nelco Contractors, Inc. This operation was previously being mined by Dan Powell and the county's understanding is that Mr. Powell's bond in the amount of \$23,000.00 will continued to be retained by OGM for reclamation purposes. The county did not enter into a specific agreement with Nelco Contractors, Inc. for the reclamation of this mining operation, therefore as long as OGM retains Mr. Powell's surety bond we authorize permission to release the Nelco Contractors, Inc. bond in the amount of \$17,000.

If you have any further questions, please feel free to contact our offices.

Sincerely,
